

Tiger Technology

SJMS Engineering Clubs	Y/N	Know someone special who might be interested in helping as a Mentor or as a Helper? Whom?	What's This Club About?
SJMS Engineering Club Day: Monday Time: 3:45-5:30 Cost: \$25.00 (T-Shirt Sold Separately)	Y/N		Friends hang together exploring virtual "fun" or choosing to create/build projects that interest them.
P.R.I.D.E. Rocketry Club (TARC) Day: Thursday Time: 3:45-5:30 Cost: \$40.00 (Includes T-Shirt)	Y/N		Build really "big" & rockets. Possibly be on a National Team America Rocketry Competition Team.
Fire & Smoke Workshop I Day: Friday Oct. 9 th (Build) 3:45-5:30 Friday Oct. 16 th (Launch) 3:45-5:30 Launch Site: SJMS Cost: \$25.00 (Includes your own rocket/motors to keep)	Y/N		Students will be building rockets from kits and then blasting them into space the next week. 
P.R.I.D.E. Robotix Club Day: To Be Determined/Need Mentor Cost: To Be Determined (T-Shirt Sold Separately)	Y/N		Students create/build/drive their own robots using either Vex/Legos – Possible competition.
Mining Minecraft Minds Design Team Day: 24/7 (Virtual Worlds) Need Mentor Cost: \$12.00 (T-Shirt Sold Separately) Need to have a pc account NO Xbox or mobile accounts will work. Approx. \$28.00 in addition to above	Y/N	This is a Beta program and we will be taking it slow as we establish our purpose and direction. This is not a game team, but a design team.	Don't just play the game, but create, build, test your own Learning Modules for others to enjoy virtually.

Student Name: _____ Gr: _____ Student ID: _____

Student School Email: _____ 5th Period Teacher Name: _____

Parent Name: _____ Parent Phone No: _____

Make Checks Payable: **SJMS Engineering Booster Club** "Work Smart, Play Hard!"

Contact Questions: Dellen Gibson, CTE STEM Educator/Facilitator 469-302-4964 dgibson@mckinneyisd.net

Students do not have to currently be enrolled in Technology classes to be a member of any Engineering Clubs.
