

Tiger Technology

2016-2017

SJMS Technology Clubs All dates may be changed dependent upon needs...	Join	What's Are These Clubs/Teams About?
SJMS Engineering Club, 6th-8th Day: Monday/D102/Time: 3:45-5:30 Cost: \$25.00 for year (T-Shirt Sold Separately)	 Y / N	Friends hang together exploring virtual "fun" or choosing to create/build projects that interest them. There are no set skills taught unless requested by student(s). This is intended to be a stress reliever. Students may leave as parents need.
TARC "Fire & Smoke" Rocketry Team, 7th-8th Day: Tuesday Time: 3:45-5:30 Cost: \$50.00 (Includes T-Shirt) Team America Rocketry Challenge Sponsored by Dallas Area Rocketry Society Need Parent Helper – Safety, safety, safety	Y / N	These are very competitive teams who compete with high school in building really big, "Fire & Smoke," rockets for TARC National Competition in Washington, D.C. If qualified, we look for sponsors to help us go.
TARC Internship Workshops I, 6th-8th Gr. Day: Tues-Oct. 18 th (Build) 3:45-5:00 Tues-Oct. 25 th (Paint) 3:45-5:00 Fri-Nov. 4 th or Nov. 11 th (if rained out) Cost: \$25.00 (Includes your own rocket/motors to keep) Deadline Registration: Fri., Oct. 30th 2016	Y / N	Students will be building rockets from kits and then firing them into space after they are built and painted. Not only will our TARC team be helping these students, but TARC team members from MNHS and MHS will be available. It should be a blast – literally :)
P.R.I.D.E. Robotix Club Day: Possibly Thursday, To Be Determined Still Need Mentor and/or Parent-No experience required Cost: None (T-Shirt Sold Separately)	Y / N	Students create/build/drive their own robots using either Vex or Lego robots – Possible competition.
Mining Minecraft Minds Design Team Day: 24/7 (Virtual Worlds) Cost: \$15.00 If no PC Lifetime License - Purchase Mojang.com Cost: \$28.00 NO Xbox or mobile accounts will work for this team (T-shirts sold separately)	Y / N	Don't just play the game, but create, build, test your own Learning Modules for others to enjoy virtually and learn while playing your own created games.

Student Name: _____ Gr: _____ Student ID: _____

Students do not have to currently be enrolled in any technology classes to be a member of any Engineering Clubs.
We value any and all parents to help assist in Engineering Club or to become a Mentor for any team(s). To help, please go to the very simple "Volunteer Application" that can be found under Quick Links at www.mckinneyisd.net
